This will officially be Dave's last meeting as president before the changes take place. Dave expressed his gratitude toward everyone that made Rotary successful this past year.

Dave spoke about the donation for the award, we are \$450 short of getting to our goal and we need 100% participation of \$100 per capita. Please make your donation asap so it can clear prior to the end of the rotary year. This will be put on pause for the next year so that we can strategize how to accomplish the goal moving forward. Michael suggested putting this into the financial report.

Kathleen gave her report:
